ANNOUNCEMENT

Work meeting of HIFM with a delegation of the Fund for Compulsory Health Insurance of the Republic of Albania

Legislation, the manner in which the health insurance rights are exercised, especially the Macedonian model of acquisition of orthopaedic devices, were the focus of the work meeting of the directors of the Health Insurance Fund of Macedonia, Dr. Sasho Stefanovski and Orhan Ramadani with the director of the Fund for Compulsory Health Insurance of the Republic of Albania, Vjollca Braho.

The meeting was held upon the initiative of the Fund for Compulsory Health Insurance of the Republic of Albania, whose representatives expressed interest in obtaining a more detailed overview and information about the reforms carried out by the Health Insurance Fund of Macedonia.

During the meeting, mutual satisfaction was expressed for the initiative for cooperation between the two funds, particularly since the International Social Security Agreement between the two countries was signed, and ratified in the Assemblies of the Republic of Macedonia and Republic of Albania. The modalities and mechanisms to deepen the mutual bilateral cooperation in the future were also discussed.

Present at this meeting were the Director of the Health Fund of Albania, Vjollca Braho, the Head of the Legal Department, Armand Dajko, the Director of the Pharmacy Department, Ahmed Hisa, and other representatives of HIFM and HIFA.

HIFM will continue working on providing better services to its insureds, both domestically and abroad.
